Pole height of the carpet : 4.5mm
Total height of the carpet : 7.2mm

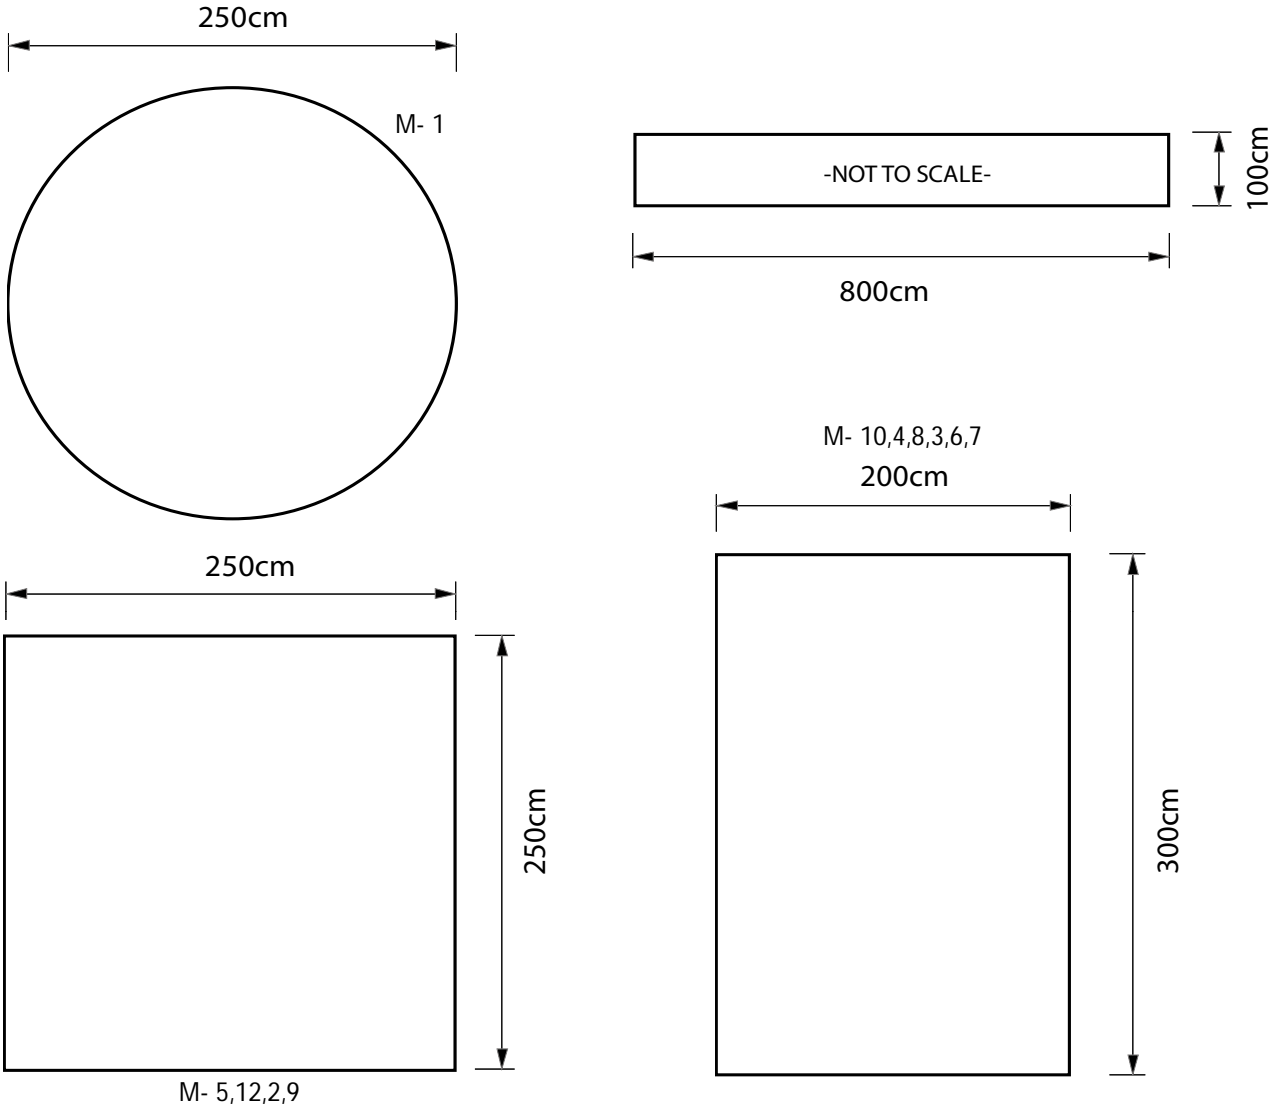

Colour

Delft blue
All carpet colours vary depending on the design.

Main dimensions

Technical

In some cases when the carpets are new, the corners may try to curl back. Carpet tape or a simply weighting down will speed up the time it takes for the carpets to relax. There is no other technical information specific to this product.

Cleaning Instructions

The use of a conventional vacuum cleaner is permitted to remove everyday dust and dirt. There is a cleaning guide on the reverse of the carpets. A more specific guide to removing stain will be released shortly.
