

Falicon is inspired by 3D flexible structures and its shape is that of the mystical and emblematic pyramid. Falicon is a city in France where the first European pyramid has been created.

Falicon can also be used as a table light, but it is most ideally placed on eye height on the wall.

Type
Table/Wall light

Color
White

Shade material
Laser Sintered Polyamide
(Dirt protected)

Mounting unit material
Laser Sintered Polyamide
(Dirt protected)

Light source (Osram Halogen bulb)
G9, 240 V / 120 V (Max 40 Watt)

Cable (SPT1)
Transparent, 2 Meters

Electricity markings 240 V (Dimmer)

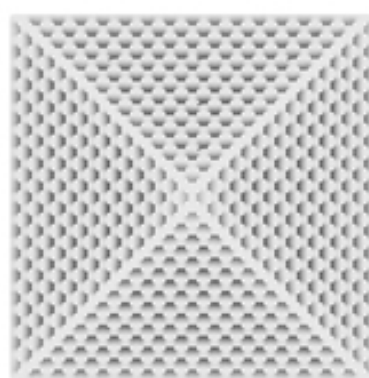

Electricity markings 120 V (Switch)

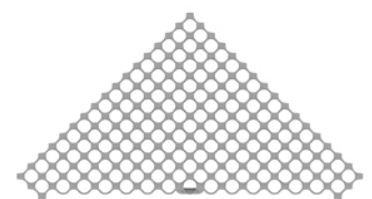

Weight
0.6 kg / 1.3 lbs

FOR INDOOR USE ONLY
